

Interior design service

Our dedicated design team at Town & Country Designs believe your home should be a reflection of your own individual personality & lifestyle.

Regardless of the size & budget of your decorating project, our affordable design service will provide you the confidence, inspiration & professional advice to achieve the space you have always envisaged in 4 simple steps....

Step 1

Book an appointment with your Town & Country designer.

Step 2 initial consult (1-2hrs)

During the initial consult, our designer will discuss your ideas & thoughts, introduce you to our latest range of catalogues, samples & colour schemes & suggest exciting fresh ideas!

Step 3 Visit to our showroom

During your visit to our showroom you will receive your own personalized design file including decorating suggestions & recommendations along with product costings.

Depending on the budget & size of decorating project stage 2 & 3 will be repeated until project completion.

Step 4

Confirm purchases at showroom with your Town & Country designer.

Our Town & Country designers can advise & help you select from the following....
